## The New Double Taxation Agreement (DTA) between Hong Kong and Canada

Thursday, April 4, 2013 -- 11:45 – 1:15 p.m. (registration begins at 11:30 a.m.)

Deloitte, Deloitte Bankers Court, 7th Floor, 2 Street SW, Calgary, Alberta, T2P 0R8, Canada

On April 4 in Calgary, join the Canada China Business Council and specialists from Gowlings and Deloitte for a luncheon session exploring the issues and advantages of the new Hong Kong-Canada double-taxation agreement (DTA), and its effect on Canadian businesses. The agreement, signed in November 2012, should further strengthen the economic and trade ties between the two countries, and provide added incentives for companies in Canada to do business or invest in Hong Kong, or through Hong Kong to mainland China, and vice versa.

CCBC members and guests are invited to purchase tickets for this event. If you have any questions, please contact Candice Chao, at (416) 954-3800 ext. 317 or [assistant@ccbc.com](mailto:assistant@ccbc.com).

### Speakers:

#### Jennifer Hanna

*Associate, Gowing Lafleur Henderson LLP (Calgary)*

Jennifer Hanna is a tax lawyer with Gowlings' Calgary office with a focus on international and domestic corporate taxation. She has extensive experience with structuring and implementing numerous domestic and cross-border public and private mergers, acquisitions, financings and complex reorganizations. Prior to joining Gowlings, Jennifer practiced in the international tax and M&A tax practice groups of an international accounting firm, and has also practiced with the tax group of a national law firm in Calgary and Toronto.

#### Charles Evans

*Partner, Tax, Deloitte LLP (Alberta Region)*

Charles Evans leads the Alberta Cross-border Tax practice and is focused on advising clients on the tax effective structuring of their global business operations. Charles also has extensive experience servicing some of Deloitte's largest clients in support of their Canadian tax and financial reporting obligations. Charles has worked with numerous clients in ensuring their domestic and foreign operations are established in a tax effective manner.
